Lee, fyi, Dave will be in KY on 10/11. You however, are available in the afternoon to meet with VNF. Should I schedule this for you? Please advise.

Thanks for the note and the update. I will await further word from all of you before I ask my folks to commit to a trip to D.C. that week. I will continue to hope that you and Dave might be available on October 11 as that is one of the few dates in the near term that will work for my folks.

Thanks, as always, for your time and consideration in this matter. Much appreciated.

Alan

Both Dave and I are traveling a lot during mid October. Let me check if Dave and/or I am available to meet with the Rosemont folks on the 11th.

Lee,

As I noted in a voice mail that I left for you on Tuesday, my folks are looking at a visit to D.C. on Thursday, October 11. They are anxious to know whether you and/or David will be in town on that date and available to meet with them while they are in town.

Please let me know whether you and/or David will be in town on October 11 and , if so, whether we are likely to have the chance to get together. I have a call with my folks this afternoon, so if you have a chance, it would be good to hear from you on this scheduling question before 4 p.m. today.

Thanks, as always, for your time and consideration. I look forward to seeing you soon.
